

wine

PINOT NOIR

vintage

2021

varietals

100% Pinot Noir

tasting notes

Aromas of raspberry, black cherry, dried rose petals, beetroot, sandalwood and leather. On the palate, beautiful red fruit – black cherry and raspberry are complemented by notes of sarsaparilla, chocolate and earthy notes. There's a nice mineral salinity in the background.

food pairing

Enjoy with duck confit, porchetta sandwiches, mushroom risotto, turkey dinner, black bean burgers, or your favourite pizza.

growing season & harvest

This Pinot Noir was harvested Oct. 7, 2021 and left for a 3 day cold soak before beginning fermentation. Aged in French oak barrels and puncheons (mostly older, neutral barrels) for 12 months before deciding on the best barrels for this blend.
