MANAGEMENT INFORMATION CIRCULAR

For the Annual General and Special Meeting of Shareholders to be held September 22, 2015

GENERAL PROXY INFORMATION

SOLICITATION OF PROXIES

This management information circular (the “**Circular**”) is furnished in connection with the solicitation of proxies for use at the annual general and special meeting (the “**Meeting**”) of shareholders of the Corporation (the “**Shareholders**”) to be held on Tuesday, September 22, 2015 at the National Club, Library Room, 303 Bay Street, Toronto, Ontario M5H 2R1 at 10:00 am (Eastern Daylight Time) and at any adjournments thereof, for the purposes set out in the accompanying notice of meeting. The cost of solicitation of proxies will be borne by the Corporation.

NOTICE-AND-ACCESS

This year, the Corporation is using the “notice-and-access” system adopted by the Canadian Securities Administrators for the delivery of proxy materials to registered and Non-Registered Holders (as defined below) by posting the proxy materials on the following website: www.diamondestates.ca/site/2015-agm. The Corporation mailed a form of proxy and notice of meeting containing, among other things, information about the website availability of the proxy materials for Shareholders who had previously been receiving a paper copy of the proxy materials. Shareholders have the ability to access the proxy materials at www.diamondestates.ca/site/2015-agm and to request a paper copy of this Circular and related Meeting by mail, by e-mail or by telephone. Instructions on how to request paper copies may be found (i) by visiting www.diamondestates.ca/site/2015-agm, (ii) in the notice of meeting mailed separately, or (iii) by calling toll free 1.866.644.2524.

APPOINTMENT AND REVOCATION OF PROXIES

The persons named in the enclosed form of proxy are directors or representatives of the Corporation. **A SHAREHOLDER DESIRING TO APPOINT SOME OTHER PERSON, WHO NEED NOT BE A SHAREHOLDER OF THE CORPORATION, TO REPRESENT THEM AT THE MEETING MAY DO SO** by inserting such other person’s name in the blank space provided in the form of proxy and depositing the completed proxy with the Corporation’s transfer agent, Computershare Trust Company of Canada, 100 University Avenue, 8th Floor, Toronto, Ontario M5J 2Y1, as instructed below. Shareholders may execute a proxy personally or through an attorney duly authorized in writing, or, if the shareholder is a corporation, under its corporate seal by an officer or attorney duly authorized.

In addition to any other manner permitted by law, a proxy may be revoked before it is exercised by instrument in writing executed and delivered in the same manner as the proxy at any time up to and including the last business day preceding the day of the Meeting or any adjournment at which the proxy is to be used or delivered to the Chair of the Meeting on the day of the Meeting or any adjournment prior to the time of voting and upon either such occurrence, the proxy is revoked.

DEPOSIT OF PROXY

ALL PROXIES TO BE USED AT THE MEETING MUST BE DEPOSITED NOT LATER THAN 48 HOURS PRECEDING THE DAY OF THE MEETING, EXCLUDING SATURDAYS, SUNDAYS AND STATUTORY HOLIDAYS, OR ANY ADJOURNMENT, WITH THE CORPORATION’S TRANSFER AGENT, Computershare Trust Company of Canada, 100 University Avenue, 8th Floor, Toronto, Ontario M5J 2Y1, by mail or pursuant to the instructions provided on the form of proxy.

NON-REGISTERED SHAREHOLDERS

Only Shareholders of record at the close of business on August 13, 2015 (the “**Record Date**”), or the persons they appoint as their proxies are permitted to vote at the Meeting. However, in many cases, shares beneficially owned by a person (a “**Non-Registered Holder**”) are registered either:

- i. in the name of an intermediary (an “**Intermediary**”) that the Non-Registered Holder deals with in respect of the shares of the Corporation (Intermediaries include, among others, banks, trust companies, securities dealers or brokers and trustees or administrators of self-administered RRSPs, RRIFs, RESPs and similar plans); or
- ii. in the name of a clearing agency (such as The Canadian Depository for Securities Limited (“**CDS**”)) of which the Intermediary is a participant.

In accordance with the requirements of National Instrument 54-101 (“**NI54-101**”), the Corporation will have distributed copies of the notice of meeting, this Circular and the form of proxy (collectively, the “**Meeting Materials**”) to the clearing agencies and Intermediaries for onward distribution to Non-Registered Holders. Intermediaries are required to forward the Meeting Materials to Non-Registered Holders unless a Non-Registered Holder has waived the right to receive them. Intermediaries often use service companies to forward the meeting material to Non-Registered Holders. Generally, Non-Registered Holders who have not waived the right to receive Meeting Materials will either:

- i. be given a form of proxy which has already been signed by the Intermediary (typically by a facsimile, stamped signature), which is restricted as to the number of shares beneficially owned by the Non-Registered Holder but which is otherwise uncompleted. In this case, the Non-Registered Holder who wishes to submit a proxy should properly complete the form of proxy and submit it to the Corporation or the Corporation’s transfer agent, Computershare Trust Company of Canada, 100 University Avenue, 8th Floor, Toronto, Ontario M5J 2Y1; or
- ii. more typically, be given a form of proxy which is not signed by the Intermediary and which, when properly completed and signed by the Non-Registered Holder and returned to the Intermediary or its service company, will constitute voting instructions (often called a “proxy authorization form”) which the Intermediary must follow. Typically, the Non-Registered Holder will be given a page of instructions that contains a removable label containing a bar-code and other information. In order for the form of proxy to validly constitute a proxy authorization form, the Non-Registered Holder must remove the label from the instructions and affix it to the form of proxy, properly complete and sign the form of proxy and submit it to the Intermediary or its service company in accordance with the instructions of the Intermediary or its service company.

In either case, the purpose of these procedures is to permit Non-Registered Holders to direct the voting of the shares of the Corporation they beneficially own. Should a Non-Registered Holder who receives either form of proxy wish to vote at the Meeting in person (or have another person attend and vote on behalf of the Non-Registered Holder), the Non-Registered Holder should strike out the person named in the proxy and insert the Non-Registered Holder or such other person’s name in the blank space provided. In either case, Non-Registered Holders should carefully follow the instructions of their Intermediary, including those regarding when and where the proxy or proxy authorization form is to be delivered.

A Non-Registered Holder may revoke a proxy authorization form (voting instructions) or a waiver of the right to receive meeting materials and to vote which has been given to an Intermediary at any time by written notice to the Intermediary, except that an Intermediary is not required to act on a revocation of a proxy authorization form (voting instructions) or of a waiver of the right to receive meeting materials and to vote which is not received by the Intermediary at least seven days prior to the Meeting.

EXERCISE OF DISCRETION OF PROXIES

The persons named in the accompanying form of proxy for use at the Meeting will vote the shares in respect of which they are appointed in accordance with the directions of the Shareholders appointing them. IN THE ABSENCE OF SUCH DIRECTIONS, SUCH SHARES SHALL BE VOTED “FOR” all of the matters listed in the notice of meeting and as more particularly described in this Circular.

The enclosed form of proxy confers discretionary authority upon the person named with respect to any amendment, variation or other matter to come before the Meeting, other than the matters referred to in the notice of meeting. HOWEVER, IF ANY SUCH AMENDMENTS, VARIATIONS OR OTHER MATTERS WHICH ARE NOT NOW KNOWN TO THE MANAGEMENT SHOULD PROPERLY COME BEFORE THE MEETING, THE SHARES REPRESENTED BY THE PROXIES WILL BE VOTED IN ACCORDANCE WITH THE BEST JUDGMENT OF THE PERSON OR PERSONS VOTING SUCH PROXIES.

VOTING SECURITIES AND PRINCIPAL HOLDERS

The authorized capital of the Corporation consists of an unlimited number of common shares (the “**Common Shares**”) of which 100,137,036 Common Shares are issued and outstanding as fully paid and non-assessable as at August 13, 2015, the Record Date for the Meeting. Each holder of Common Shares of record will be entitled to one vote for each Common Share held at the Meeting.

To the knowledge of the directors and executive officers of the Corporation, based on the most recent publicly available information, as of the date hereof, the only persons that beneficially own, directly or indirectly, or control or direct voting securities of the Corporation carrying more than 10% of the voting rights attached to the voting securities of the Corporation are as follows:

Name	Number of Shares	Approximate Percentage of Total Issued
CDS & Co. ⁽¹⁾	34,539,659	34.50%
Oakwest Corporation Limited ⁽²⁾	29,416,382	29.38%

Notes:

- (1) The Corporation is not aware of the beneficial ownership of the Common Shares held by this financial intermediary, whose holdings may also reflect some or all of the shares beneficially owned by other individuals and entities shown in this table.
- (2) David Beutel, a director of the Corporation, is an officer and a shareholder Oakwest Corporation Limited.

EXECUTIVE COMPENSATION

Named Executive Officers

Pursuant to applicable securities regulations, the Corporation must disclose the compensation paid to its Named Executive Officers (“**NEOs**”) for the three most recently completed financial years. NEOs include the Corporation’s Chief Executive Officer, the Corporation’s Chief Financial Officer and the other three most highly compensated executive officers, provided that disclosure is not required for those executive officers, other than the Chief Executive Officer and Chief Financial Officer, whose total compensation did not exceed \$150,000. The Corporation’s NEOs include J Murray Souter as President and Chief Executive Officer, and Alan Stratton as Chief Financial Officer, who was appointed on June 17, 2014, replacing Geoff Kritzingner who served as Chief Financial Officer from September 24, 2013 to June 17, 2014. Prior to the completion of the Corporation’s Qualifying Transaction (as such term is defined by the policies of the TSX Venture Exchange)(the “**Qualifying Transaction**”) on September 24, 2013, the Corporation’s NEOs were David Mitchell, President and Chief Executive Officer, and Keith Harris, Chief Financial Officer.

Compensation Discussion and Analysis

The compensation of management is set by the board of directors of the Corporation (the “**Board**”) pursuant to a compensation program. For the year ended March 31, 2015, the Corporation did not have a formal pre-determined compensation plan. Rather, the Corporation informally assessed the performance of its Named Executive Officers

and considered a variety of factors generally, both objective and subjective, when determining compensation levels, including the existing contractual relationships with the Named Executive Officers. For the financial year ended March 31, 2015, the compensation program had the following objectives: (1) to provide a compensation program that is fair and competitive in order to attract and retain well-qualified and experienced executives within the Corporation; (2) to focus the efforts of executives on business performance; and (3) to recognize individual performance. Following completion of the Corporation's Qualifying Transaction the Corporation adopted a compensation committee (the "**Compensation Committee**") and charter. The Compensation Committee consists of John De Sousa, John Hick and Craig Graham.

Compensation for the Named Executive Officers is composed primarily of three components: base fees, performance bonuses and stock based compensation:

Base Fees

Base Fees form an essential component of the Corporation's compensation strategy as they are key to the Corporation remaining competitive, are fixed and therefore not subject to uncertainty, and can be used as the base to determine other elements of compensation and benefits.

In determining the base fees of executive officers, the Board considers the following: (a) the recommendations of the Compensation Committee; (b) the particular responsibilities related to the position; (c) the experience, expertise and level of the executive officer; (d) the executive officer's length of service to the Corporation; and (e) the executive officer's overall performance based on informal feedback.

There is no mandatory framework that determines which of the above-referenced factors may be more or less important and the emphasis placed on any of these factors is at the discretion of the Board and may vary among the executive officers. In respect of the base fees paid to the President and Chief Executive Officer, the Board and the Compensation Committee also broadly considered the performance of the President and Chief Executive Officer against the Corporation's performance in the previous year. The Corporation does not engage in benchmarking and did not focus on any particular performance metric.

Bonus Payments

The purpose of the Corporation's bonus program is to provide the NEOs with the opportunity to receive a cash incentive that is broadly related to the progress of the Corporation and individual performance. The Corporation does not utilize a set of formal objective measures to determine discretionary bonus entitlements; rather, bonus payments to NEOs are determined in a discretionary manner on a case by case basis. In addition, no specific weights are assigned to any criteria individually, rather, the performance of the Corporation is broadly considered as a whole when determining the level of bonuses (if any) to be paid. In addition, the Corporation does not focus on any particular performance metric in awarding bonuses.

Long-Term Incentives

The Board believes that granting stock options to officers, directors, consultants and employees encourages retention and more closely aligns the interests of key personnel with the interests of Shareholders while at the same time not drawing on the limited cash resources of the Corporation. The Corporation granted options to its management and board of directors based on the maximum amount permissible at the time of its initial public offering on March 2, 2012. Additional options were granted to incoming directors and officers upon completion of the Qualifying Transaction on September 24, 2013, and thereafter to new and existing officers, directors and consultants on a case by case basis in keeping with the Corporation's compensation objectives.

The Corporation does not utilize a set of formal objective measures to determine long-term incentive entitlements, rather, long-term incentive grants, such as stock options, to NEOs are determined in a discretionary manner on a case by case basis, but having consideration to the number of options previously granted. There are no other specific quantitative or qualitative measures associated with option grants and no specific weights are assigned to any criteria individually, rather, the performance of the Corporation is broadly considered as a whole when determining the

number of stock based compensation (if any) to be granted and the Corporation does not focus on any particular performance metric.

The Corporation has no pension plan in place, and there are no provisions in the Corporation's employment agreements for any additional compensation to be paid to any officers, directors, or employees on a change in control of the Corporation.

Risks of Compensation Policies and Practices

The Compensation Committee and the Board work in tandem to oversee any potential risks in the Corporation's compensation policies and practices. There are no formal practices in place to identify and mitigate excessive risks other than through informal discussion at meetings of the Compensation Committee and the Board. The Board and the Compensation Committee have considered the risks of the current compensation program as set out herein and have determined that at this stage in the development of the Corporation the risks are not material.

Purchase of Financial Instruments

The Corporation currently does not have in place any formal policies to prevent a director or NEO from purchasing financial instruments that are designed to hedge or offset a decrease in market value of equity securities granted as compensation or held directly or indirectly by such director or NEO, but the Corporation is considering adopting such a policy in the current financial year.

Stock Option Plan

The Corporation currently maintains a stock option plan (the “**Stock Option Plan**”) and pursuant thereto grants options to purchase Common Shares. The purpose of the Stock Option Plan is to encourage share ownership by directors, senior officers and employees, together with consultants, who are primarily responsible for the management and growth of the business. The number of Common Shares, the exercise price per Common Share, the vesting period and any other terms and conditions of options granted pursuant to the Stock Option Plan, from time to time, are determined by the Board at the time of the grant, subject to the defined parameters of the Stock Option Plan.

The maximum number of Common Shares which may be reserved and set aside for issue under the Stock Option Plan is equal to up to 10% of the issued and outstanding Common Shares, provided that the Board may, subject to Shareholder and regulatory approvals, increase such number.

The Stock Option Plan is administered by the Board, which has the authority thereunder to delegate its administration and operation to a special committee of directors appointed from time to time by the Board. Participation is limited to directors, officers, employees and consultants providing services to the Corporation.

The exercise price of any option cannot be less than the Market Price of the Common Shares at the time the option is granted. "Market Price" is a defined term under the policies of the TSX Venture Exchange (the "Exchange"), but generally means the last closing price of the Common Shares immediately prior to the date of the granting of an option. The exercise period cannot exceed five years. Options will terminate on the date of expiration specified, ninety days after termination of employment, or one year after the death of the grantee.

The number of Common Shares reserved for issuance to any individual director or officer will not exceed 5% of the issued and outstanding Common Shares and the number of Common Shares reserved for issuance to all technical consultants will not exceed 2% of the issued and outstanding Common Shares. Options representing not more than 10% of the issued and outstanding Common Shares may be granted to Insiders (as such term is defined under the policies of the Exchange) within any twelve-month period. Options may be exercised within the greater of 12 months after completion of the Corporation's Qualifying Transaction and 90 days following cessation of the optionee's position with the Corporation, provided that if the cessation of office, directorship or technical consulting arrangement was by reason of death, the option may be exercised within a maximum period of one year after such death, subject to the expiry date of such option. The Stock Option Plan also provides for adjustments to outstanding options in the event of any consolidation, subdivision, conversion or exchange of the Corporation's shares.

As of the date of the Circular, options to acquire up to 6,682,400 Common Shares of the Corporation have been granted and are outstanding pursuant to the Stock Option Plan. Based on the issued and outstanding capital of the Corporation as of the date of this Circular, an additional 3,331,303 options are available to be granted pursuant to the Stock Option Plan.

TERMINATION AND CHANGE OF CONTROL BENEFITS

In the event of being terminated without cause, J. Murray Souter, Chief Executive Office of the Corporation, is entitled to receive twelve (12) months of his base salary plus any accrued amounts to such date owing to Mr. Souter under the Corporation's bonus or stock option plan, payable over a period of six (6) months. Based on Mr. Souter's compensation during the year ended March 31, 2015, were he to be terminated without cause, he would be entitled to receive an aggregate of \$180,000.

Notes:

- (1) Based on the closing price of the Common Shares on the Exchange on March 31, 2015 being \$0.10.

In the most recently completed fiscal year, each director received a base fee of \$15,000. The Chairman of the Board, Audit Committee, and Compensation Committee each receive an incremental fee of \$25,000, \$750, and \$500, respectively. Each director also earns a fee of \$1,000 for each meeting attended. No travel related expenses have been claimed or paid out in the most recently completed fiscal year. In addition to these attendance related fees, the directors are typically compensated through the granting of stock options to encourage retention and more closely align the interests of the directors with the interests of shareholders while at the same time not drawing on the limited cash resources of the Corporation. As with the grant of options to the NEOs, the Corporation does not utilize a set of formal objective measures to determine option entitlements of directors, rather, long-term incentive grants, such as stock options, to NEOs are determined in a discretionary manner on a case by case basis, but having consideration to the number of options previously granted. There are no other specific quantitative or qualitative

measures associated with option grants and no specific weights are assigned to any criteria individually, rather, the performance of the Corporation is broadly considered as a whole when determining the number of stock based compensation (if any) to be granted and the Corporation does not focus on any particular performance metric.

On December 11, 2012, Frontline filed a notice of intention to make a proposal under the *Bankruptcy and Insolvency Act* (Canada) (the "**BIA**") and on January 4, 2013 Frontline filed an assignment into bankruptcy with the Official Receiver for the general benefit of its creditors pursuant to the BIA.

In 2008, Mr. John Hick was a director and non-executive Chairman of the board of directors of Tamaya Resources Limited (“**Tamaya**”), a company incorporated under the laws of Australia and listed on the Australian Securities Exchange (“**ASX**”), which made a Voluntary Appointment of an Administrator, Ernst & Young (Australia), as a result of becoming insolvent. The reasons for the insolvency are summarized in a questionnaire and report to the Administrators dated November 14, 2008, which was filed with the ASX. As a result of the Voluntary Administration, effective upon the appointment of the Administrators on October 26, 2008, the appointed Administrators immediately assumed all legal powers, rights and obligations of the directors of Tamaya and the directors had no legal rights with respect to the administration or management of Tamaya or its assets.

As part of the CCAA proceedings, all of the directors of Timminco resigned on August 16, 2012.

Mr. Hick was also a director of the Carpathian Gold when on April 16, 2014, the Ontario Securities Commission issued a permanent management cease trade order, which superseded a temporary management cease trade order (the “**MCTO**”) dated April 4, 2014, against the management of Carpathian Gold. The MCTO was issued in connection with the Corporation’s failure to file its (i) audited annual financial statements for the year ended December 31, 2013, (ii) management’s discussion and analysis relating to the audited annual financial statements for the year ended December 31, 2013, and (iii) corresponding certifications of the foregoing filings as required by National Instrument 52-109 – Certification of Disclosure in the Issuer’s Annual and Interim Filings. The MCTO was lifted on June 19, 2014 following the filing of the required continuous disclosure documents on June 17, 2014.

APPOINTMENT AND REMUNERATION OF AUDITORS

At the Meeting, Shareholders will be requested by management of the Corporation to approve a resolution re-appointing MNP LLP, Chartered Accountants, Licensed Public Accountants (“**MNP**”) as auditors of the Corporation until the next annual meeting of Shareholders and to authorize the Board to fix their remuneration. MNP (formerly MSCM LLP) were first appointed as auditors of the Corporation on June 30, 2011.

Management of the Corporation recommends that Shareholders vote in favor of appointing MNP as auditors of the Corporation and to authorize the directors to fix their remuneration. Unless you give other instructions, the persons named in the enclosed form of proxy intend to vote FOR the approval of the resolution to appoint MNP and to authorize the directors to fix their remuneration.

ANNUAL APPROVAL OF STOCK OPTION PLAN

The Corporation has in place the Stock Option Plan which provides that the board of directors may from time to time, in its discretion and in accordance with Exchange requirements, grant to directors, officers, employees and consultants of the Corporation options to purchase Common Shares, provided that the number of Common Shares reserved for issuance will not exceed 10% of the Corporation’s issued and outstanding Common Shares at the date of being granted. It is a requirement of Exchange policies that issuers who have such “rolling plans” seek annual shareholder approval of their stock option plan. Accordingly, in addition to certain amendments of a housekeeping and clerical nature to the Stock Option Plan, Shareholders will be asked to re-approve the Stock Option Plan in accordance with Exchange policy.

For a description of the Stock Option Plan, see “Executive Compensation - Stock Option Plan”, above.

Management of the Corporation recommends that Shareholders vote in favor of the resolution to annually approve the Stock Option Plan. Unless you give other instructions, the persons named in the enclosed form of proxy intend to vote FOR the annual approval of the Stock Option Plan.

APPROVAL OF DEFERRED SHARE UNIT PLAN

Background

The Board has, subject to Shareholder approval and final approval of the Exchange, adopted a deferred share unit plan (the “**DSU Plan**”) for the benefit of the Corporation’s directors, officers, employees, and consultants. The DSU Plan has been established to assist the Corporation in the recruitment and retention of qualified persons and to encourage share ownership by those who are primarily responsible for the management and growth of the business.

The Board intends to use deferred share units (“**DSUs**”) issued under the DSU Plan, as well as options issued under the Stock Option Plan, as part of the Corporation’s overall compensation plan. Since the value of DSUs increase or decrease with the price of the Common Shares, DSUs reflect a philosophy of aligning the interests of management and directors with those of the Shareholders by tying compensation to share price performance.

At the Meeting, Shareholders will be asked to approve a resolution adopting the DSU Plan. In order to be approved, the resolution must be passed by a majority of the votes cast by the disinterested Shareholders present in person or represented by proxy at the Meeting. Unless such authority is withheld, the management representatives designated in the enclosed form of proxy intend to vote for the approval of the resolution authorizing the DSU Plan.

Summary of the DSU Plan

Set out below is a summary of the DSU Plan. A complete copy of the DSU Plan is attached to this Circular as Appendix “A”.

Administration of Plan

The grant of DSUs pursuant to the DSU Plan is determined by the Board at the time of the grant, subject to the defined parameters of the DSU Plan. The DSU Plan is administered by the Board, which has the authority thereunder to delegate certain administrative and operational matters to the Compensation Committee from time to time. The Board has the sole and complete authority, in its discretion, to:

- (a) interpret the DSU Plan and prescribe, modify and rescind rules and regulations relating to the DSU Plan;
- (b) exercise rights reserved to the Corporation under the DSU Plan;
- (c) prescribe forms of notices to be prescribed by the Corporation under the DSU Plan; and
- (d) make all other determinations and take all other actions as it considers necessary or advisable for the implementation and administration of the DSU Plan.

Maximum Number of Common Shares Issued

The maximum number of Common Shares reserved for issuance under the DSU Plan is 1,000,000, which is approximately 1% of the current issued and outstanding.

The DSU Plan provides that the maximum number of DSUs issuable to Insiders (as that term is defined by the Exchange) pursuant to the DSU Plan, together with any Common Shares issuable pursuant to any other security-based compensation arrangement of the Corporation, will not exceed 10% of the total number of outstanding Common Shares. In addition, the maximum number of DSUs issued to Insiders under the DSU Plan, together with any Common Shares issued to Insiders pursuant to any other security-based compensation arrangement of the

Corporation within any one year period, will not exceed 10% of the total number of outstanding Common Shares. The maximum number of DSUs issued to any one eligible participant under the DSU Plan together with any Common Shares issued to such participant pursuant to any other security-based compensation arrangement of the Corporation within any one year period, will not exceed 5% of the total number of outstanding Common Shares.

Transferability

No right to receive payment of deferred compensation or retirement awards shall be transferable or assignable by any participant under the DSU Plan except by will or loss of dissent and distribution.

Amendments to the DSU Plan

The Board may at any time, and from time to time, and without disinterested Shareholder approval, amend any provision of the DSU Plan, subject to any regulatory or Exchange requirement at the time of such amendment, including, without limitation:

- (a) for the purposes of making formal minor or technical modifications to any of the provisions of the DSU Plan including amendments of a “clerical” or “housekeeping” nature;
- (b) to correct any ambiguity, defective provision, error or omission in the provisions of the Plan;
- (c) amendments to the termination provisions of the DSU Plan;
- (d) amendments necessary or advisable because of any change in application securities laws;
- (e) amendments to the transferability of DSUs;
- (f) amendments relating to the administration of the DSU Plan;
- (g) amendments to preserve the intended tax treatment of the benefits provided under the DSU Plan, as contemplated therein; or
- (h) any other amendment, fundamental or otherwise, not requiring Shareholder approval under applicable laws or the rules of the Exchange;

provided, however, that:

- (i) no such amendment of the DSU Plan may be made without the consent of each affected participant in the DSU Plan if such amendment would adversely affect the rights of such affected participant(s) under the DSU Plan; and
- (j) Shareholder approval shall be obtained in accordance with the requirements of the Exchange for any amendment:
 - (i) to increase the maximum number of Common Shares which may be issued under the DSU Plan;
 - (ii) to the amendment provisions of the DSU Plan; or
 - (iii) to the definition of “Participant”.

The Exchange has conditionally approved the DSU Plan, subject to approval of the disinterested Shareholders. Disinterested Shareholders will be asked at the Meeting, or any adjournment thereof, to consider, and if deemed advisable, adopt the following resolution:

“BE IT RESOLVED, AS AN ORDINARY RESOLUTION OF THE COMPANY, THAT:

- (1) the Corporation’s Deferred Share Unit Plan (“**DSU Plan**”), in the form set out in Appendix “A” of the Corporation’s management information circular dated August 14, 2015, is hereby approved;
- (2) the directors of the Corporation or any committee of the board of directors of the Corporation are hereby authorized to grant Deferred Share Units of the Corporation pursuant to the DSU Plan to those eligible to receive Deferred Share Units thereunder;
- (3) any one (1) director or officer of the Corporation is hereby authorized for and on behalf of the Corporation to execute and deliver all such instruments and documents and to perform and do all such acts and things as may be deemed advisable in such individual’s discretion for the purpose of giving effect to this resolution, the execution of any such document or the doing of any such other act or thing being conclusive evidence of such determination; and
- (4) notwithstanding that this resolution has been passed by the shareholders of the Corporation, the adoption of the proposed DSU Plan is conditional upon receipt of final approval from the TSX Venture Exchange and the directors of the Corporation are hereby authorized and empowered to revoke this resolution, without any further approval of the shareholders of the Corporation, at any time if such revocation is considered necessary or desirable by the directors.”

Management of the Corporation recommends that Shareholders vote in favor of the resolution to approve the DSU Plan. Unless you give other instructions, the persons named in the enclosed form of proxy intend to vote FOR the approval of the DSU Plan.

APPROVAL OF REDUCTION IN STATED CAPITAL

At the Meeting, the Shareholders will be asked to consider and, if thought advisable, to pass, with or without variation, a special resolution reducing the stated capital of the Common Shares by \$34,104,032, without any payment or distribution to the Shareholders (the “**Reduction of Stated Capital Resolution**”).

Reasons for the Reduction of Stated Capital

Generally, the stated capital of a class or series of shares is the amount paid to a corporation in consideration for the issuance of shares in that class or series. As of March 31, 2015, the amount of the stated capital account of the Common Shares was \$39,578,798.

The Board has assessed the Corporation’s financial requirements and the value of its net realizable assets and determined that the Corporation should reduce the stated capital account of its Common Shares in order to eliminate the accumulated deficit. The accumulated deficit of the Corporation arose primarily prior to the recapitalization on September 24, 2013 that catalyzed a period of significant restructuring up to March 31, 2015. The Board concluded that it is appropriate to ask Shareholders to approve a reduction of the stated capital account of the Common Shares by \$34,104,032 to be offset by a reduction in the accumulated deficit of an equal amount, with no change to total Shareholders’ equity. The result is that the Corporation’s consolidated balance sheet will present a financial position that the Board and management believe is more reflective of the Corporation’s current situation.

If the Reduction of Stated Capital Resolution is approved by Shareholders, the stated capital of the Common Shares as at March 31, 2015 will be \$5,474,766. The proposed reduction in stated capital will have no impact on the day-to-day operations of the Corporation.

Limitation on the Reduction of Stated Capital under the OBCA

The OBCA provides that a corporation shall not reduce its stated capital if there are reasonable grounds for believing that (i) the Corporation is, or would after the reduction be, unable to pay its liabilities as they become due, or (ii) the realizable value of the Corporation’s assets would thereby be less than the aggregate of its liabilities.

The Corporation does not have reasonable grounds to believe that (i) it is, or would after the stated capital reduction contemplated by the Reduction of Stated Capital Resolution be, unable to pay its liabilities as they become due, or (ii) the realizable value of the Corporation's assets would, as a result of the stated capital reduction contemplated by the Reduction of Stated Capital Resolution, be less than the aggregate of its liabilities.

Certain Canadian Federal Income Tax Considerations with Respect to the Reduction of Stated Capital

This overview is of a general nature only and is not, and is not intended to be, and should not be construed to be, legal or tax advice to any particular Shareholder. Each Shareholder should obtain advice from his, her or its own independent tax advisors with respect to his, her or its particular tax position as such consequences can vary depending upon the particular circumstances of each Shareholder.

The reduction in stated capital will have no immediate income tax consequences to a Shareholder. The reduction in stated capital may have an effect in the future, in certain circumstances, if the Corporation is wound up or makes a distribution to Shareholders, or if the Corporation redeems, cancels or acquires its Common Shares. As a general rule, upon such transactions, a Shareholder will be deemed to have received a dividend to the extent that the amount paid or distributed exceeds the paid-up capital of the Common Shares.

Reduction of Stated Capital Resolution and Approval Requirement

At the Meeting, Shareholders will be asked to consider and, if thought advisable, to pass the following special resolution, being the Reduction of Stated Capital Resolution:

“BE IT RESOLVED AS A SPECIAL RESOLUTION THAT:

- (1) the stated capital account maintained in respect of the common shares of the Corporation is hereby reduced by \$34,104,032;
- (2) any one director or officer of the Corporation be and is hereby authorized and empowered on behalf of the Corporation to do and perform all such acts and things and to execute and deliver or cause to be executed and delivered for, in the name of and on behalf of the Corporation (whether under corporate seal or otherwise), all such deeds, documents or other instruments as in his opinion may be necessary and desirable in order to perform the terms of this resolution; and
- (3) notwithstanding that this resolution has been passed by the shareholders of the Corporation, the directors of the Corporation are hereby authorized to and empowered to revoke this resolution, without any further approval of the Corporation's shareholders, at any time if such revocation is considered necessary or desirable by the directors.”

In order to be passed, the Reduction of Stated Capital Resolution requires the approval of not less than two-thirds of the votes cast thereon by or on behalf of Shareholders present in person or represented by proxy at the Meeting.

Management of the Corporation recommends that Shareholders vote in favor of the Reduction of Stated Capital Resolution. Unless you give other instructions, the persons named in the enclosed form of proxy intend to vote FOR the Reduction of Stated Capital Resolution.

 - (i) grant DSUs to Eligible Persons;
 - (ii) determine the number of DSUs to be granted to Eligible Persons;
 - (iii) interpret the Plan and prescribe, modify and rescind rules and regulations relating to the Plan;
 - (iv) exercise rights reserved to the Company under the Plan;
 - (v) prescribe forms for notices to be prescribed by the Company under the Plan; and

- (c) To the extent permitted by applicable law, the Board may, from time to time, delegate to any specified officer of the Company, or to the Committee, all or any of the powers of the Board with respect to this Plan. In such event, the specified officer or the Committee will exercise the powers delegated to it by the Board in the manner and on the terms authorized by the Board. Any decision made or action taken by the specified officer arising out of or in connection with the administration or interpretation of this Plan in this context is final, binding and conclusive on the Company, the Participants and all other Persons.

3.2 Determination of Value if Shares Not Publicly Traded

If the Shares are not publicly traded on the TSXV, or another recognized stock exchange, at the relevant time such that the Distribution Value and/or the Award Market Value and/or the Dividend Market Value cannot be determined in accordance with the definitions of those terms, such values shall be determined by the Board acting in good faith, or in the absence of the Board, by the Committee acting in good faith.

3.3 Eligibility

Any individual who at the relevant time is an Eligible Person is eligible to participate in the Plan. Eligibility to participate does not confer upon any individual a right to receive an award of Deferred Share Units pursuant to the Plan.

3.4 Total Shares Subject to DSUs

The maximum number of Shares that may be issued pursuant to the Plan shall be one million (1,000,000) and no Deferred Share Unit may be granted if such grant would have the effect of causing the total number of Shares potentially issuable in respect of Deferred Share Units to exceed the above number of Shares reserved for issuance under the Plan.

To the extent Deferred Share Units are cancelled, the Shares subject to such Deferred Share Units shall be added back to the number of Shares reserved for issuance under the Plan and such Shares will again become available for Deferred Share Unit grants under the Plan.

3.5 Exemption from Plan Participation

Notwithstanding any other provision of the Plan, if a Participant is resident in a jurisdiction in which an award of Deferred Share Units under the Plan might be considered to be income which is subject to taxation at the time of such award, the Participant may elect not to participate in the Plan by providing a written notice to the Chief Financial Officer of the Company.

3.6 DSU Agreement and Account

- (a) Upon the grant of DSUs, the Company will deliver to the Participant a DSU agreement ("**DSU Agreement**") dated as of the Award Date, containing the terms of the DSUs and executed by the Company, and upon delivery to the Company of the DSU Agreement executed by the Participant, such Participant will be a participant in the Plan and have the right to receive Shares on the terms set out in the DSU Agreement and in the Plan. - (b) An account ("**Account**") shall be maintained by the Company for each Participant and will show the DSUs credited to a Participant from time to time.

ARTICLE 4
DEFERRED SHARE UNITS

4.1 **Number of Deferred Share Units**

Deferred Share Units shall be credited to Accounts maintained for each Participant on the books of the Company, as of the Award Date. The number of Deferred Share Units to be credited as of the Award Date shall be determined by dividing: (a) the amount to be paid by, (b) the Award Market Value, with fractions rounded down to the nearest Deferred Share Unit. The number of Deferred Share Units on the Award Date to be credited as of the Award Date in respect of a discretionary grant under Section 4.4 shall be the number of Deferred Share Units as determined by the Board as of the Award Date.

4.2 **Vesting**

Deferred Share Units will be fully vested upon being credited to a Participant's Account.

4.3 **Credits for Dividends**

A Participant's Account shall be credited with Dividend Equivalents in the form of additional Deferred Share Units as of each dividend payment date in respect of which normal cash dividends are paid on the Shares. Such Dividend Equivalents shall be computed by dividing: (a) the amount obtained by multiplying the amount of the dividend declared and paid per Share by the number of Deferred Share Units recorded in the Participant's Account on the record date for the payment of such dividend, by (b) the Dividend Market Value, with fractions computed to three decimal places. The foregoing does not obligate the Company to declare or pay dividends on Shares and nothing in this Plan shall be interpreted as creating such an obligation.

4.4 **Maximum Securities**

- (a) Notwithstanding Section 4.1 herein, unless disinterested shareholder approval is obtained (or unless otherwise permitted by the TSXV):
 - (i) The maximum number of Shares which may be reserved for issuance to Insiders under the Plan, together with any other Share Compensation Arrangement, may not exceed 10% of the issued and outstanding Shares;
 - (ii) The maximum number of DSUs that may be granted to Insiders under the Plan, together with any other Share Compensation Arrangement, within a 12-month period, may not exceed 10% of the issued Shares as calculated on the Award Date; and
 - (iii) The maximum number of DSUs that may be granted to any one Eligible Person under the Plan, together with any other Share Compensation Arrangement, within a 12-month period, may not exceed 5% of the issued Shares calculated on the Award Date.
- (b) For so long as the Company is subject to the requirements of the TSXV, unless disinterested shareholder approval is obtained (or unless permitted otherwise by the TSXV Policies): (i) the maximum number of DSUs that may be granted to a Consultant, within a 12 month period may not result in a number of DSUs exceeding 2% of the number of Shares outstanding at the Award Date; and (ii) the issuance to all persons conducting investor relations activities, within a 12-month period, of a number of Shares exceeding an aggregate of 2% of the Shares outstanding on the Award Date is not permitted.

4.5 **Discretionary Grants**

In addition to the payment of Deferred Share Units as contemplated by Sections 4.1 and 4.3 , the Board may, from time to time, subject to the provisions of this Plan and such other terms and conditions as the Board may prescribe,

grant additional Deferred Share Units to any Participant. A discretionary grant of Deferred Share Units for a Performance Period to a Participant shall be evidenced by notice in writing from the Company to the Participant.

4.6 Reporting of Deferred Share Units

Statements of the Deferred Share Unit Accounts will be provided to Participants on an annual basis.

4.7 Distribution Date

A Participant shall have the right to receive Payment Shares in respect of Deferred Share Units recorded in the Participant's Account on one of the following dates (the "**Distribution Date**"):

- (a) the Separation Date; or
- (b) such later date as the Participant may elect by written notice delivered to the Chief Financial Officer of the Company prior to the Separation Date, provided that in no event shall a Participant be permitted to elect a date which is later than December 1 of the calendar year following the calendar year in which the Separation Date occurs.

The Company may elect, in its sole and absolute discretion, to provide a cash payment to the Participant in lieu of Shares in an amount equal to the Distribution Value of the Deferred Share Units (a "**Cash Payment**"), less any Source Deductions (as such term is defined below).

4.8 Distribution of Deferred Share Units in Payment Shares

- (a) The Company shall, within 10 business days after the Distribution Date, issue to the Participant a number of treasury Shares equal to the number of Deferred Share Units in the Participant's Account that became payable on the Distribution Date.
- (b) As a condition to the issue of treasury Shares or any Cash Payment in settlement of any Deferred Share Units: (i) the Company shall require such Participant to pay or cause to be paid to the Company an amount as necessary so as to ensure that the Company is in compliance with the applicable provisions of any federal, provincial or local law relating to the withholding of tax or other required deductions in connection with the exercise of such Deferred Share Units (the "**Source Deductions**"); or (ii) in the event a Participant does not pay or cause to be paid the amount specified in (i) and is receiving Shares, the Company shall be permitted to: (I) engage a broker or other agent on behalf of the Participant, at the risk and expense of the Participant, to sell a portion of the underlying Shares issued on the exercise of such Deferred Share Units through the facilities of the TSXV, and to apply the proceeds received to the sale of such underlying Shares as necessary so as to ensure that the Company is in compliance with the applicable Source Deductions relating to the exercise of the Deferred Share Units, or (II) reduce the number of Shares to be issued to a Participant in respect of redeemed Deferred Share Units in an amount that is equal in value to the cash amount of the Source Deductions and pay the Source Deductions in cash as necessary. In addition, the Company shall be entitled to withhold from any amount payable to a Participant, including the exercise of Deferred Share Units, for a cash payment.

4.9 Death of Participant Prior to Distribution

Upon the death of a Participant prior to the distribution of the Deferred Share Units credited to the Account of such Participant under the Plan, a Cash Payment shall be made to the estate of such Participant on or about the thirtieth (30th) day after the Company is notified of the death of the Participant or on a later date elected by the Participant's estate in the form prescribed for such purposes by the Company and delivered to the Company's Chief Financial Officer no later than twenty (20) days after the Company is notified of the death of the Participant, provided that such elected date is no later than the last business day of the calendar year following the calendar year in which the Participant dies so that payment can be made on or before such last business day. Such cash payment shall be

equivalent to the amount which would have been paid to the Participant pursuant to and subject to Section 4.8, calculated on the basis that the day on which the Participant dies, or the date elected by the estate, as applicable, is the Distribution Date. Upon payment in full of the value of all of the Deferred Share Units that become payable under this Section 4.9, less any Source Deductions, the Deferred Share Units shall be of no further force or effect and no further payments will be made from the Plan in relation to the Participant.

4.10 Adjustments to Deferred Share Units

In the event of any subdivision, consolidation, stock dividend, capital reorganization, reclassification, exchange, or other change with respect to the Shares, or a consolidation, amalgamation, merger, spin-off, sale, lease or exchange of all or substantially all of the property of the Company or other distribution of the Company's assets to shareholders (other than the payment of dividends in respect of the Shares as contemplated by Section 4.3), the Account of each Participant and the Deferred Share Units outstanding under the Plan shall be adjusted in such manner, if any, as the Board may in its discretion deem appropriate to preserve, proportionally, the interests of Participants under the Plan.

4.11 U.S. Taxpayers

Eligible Persons who are resident in the United States, or who are otherwise obligated to pay taxes in the United States, should obtain independent tax advice prior to the receipt of DSUs pursuant to the Plan. The Company shall not be liable for, or obligated to pay in whole or in part, any taxes levied against an Eligible Person or other negative tax consequences to an Eligible Person in respect of the grant of DSUs.

4.12 Termination of Employment

Unless otherwise determined by the Board, in its sole discretion, or specified in the applicable DSU Agreement, on the termination for cause of any Participant, all or a portion of such Participant's DSUs may be forfeited and surrendered without any entitlement accruing to such Participant. If the Participant has an employment agreement or consulting agreement or other services agreement with the Company, the term "cause" shall include any meaning given to that term in such agreement or, if such term is not defined in such agreement, it shall mean any ground which would justify the termination of services of the Participant without notice or payment in lieu thereof pursuant to applicable laws.

ARTICLE 5 **GENERAL**

5.1 Amendment, Suspension, or Termination of Plan

- (a) The Board may from time to time amend or suspend the Plan in whole or in part and may at any time terminate the Plan without prior notice. Subject to the rules and policies of the TSXV, applicable law and Section 5.1(b) and subject also to Section 5.1(c) below, the Board may, without notice or shareholder approval, at any time or from time to time, amend, suspend or terminate the Plan for any purpose which, in the good faith opinion of the Board may be expedient or desirable.
- (b) Notwithstanding Section 5.1(a) but subject to Section 5.1(e), the Board shall not materially adversely alter or impair any rights of a Participant or materially increase any obligations of a Participant with respect to DSUs previously awarded under the Plan without the consent of the Participant.
- (c) Notwithstanding Section 5.1(a), none of the following amendments shall be made to this Plan without approval by shareholders or disinterested shareholders (as applicable) by ordinary resolution:
 - (i) amendments to the Plan which would increase the number of securities issuable under the Plan, otherwise than in accordance with the terms of this Plan which permit the Board to

- make equitable adjustments in the event of transactions affecting the Company or its capital;
- (ii) amendments to the Plan which would increase the number of securities issuable to Insiders, otherwise than in accordance with the terms of this Plan;
 - (iii) amendments permitting awards other than DSUs to be made under this Plan;
 - (iv) an amendment that would permit DSUs to be granted to persons other than Eligible Persons on a discretionary basis;
 - (v) an amendment to permit DSUs to be transferred other than for estate settlement purposes; and
 - (vi) amendments deleting or reducing the range of amendments which require shareholders' approval under this Section 5.1(c).
- (d) If the Board terminates or suspends the Plan, previously credited DSUs may, at the Board's election, be distributed to Participants or may remain outstanding and in effect in accordance with the terms of the Plan. If DSUs remain outstanding after Plan termination or suspension, such DSUs shall not be entitled to Dividend Equivalents unless at the time of termination or suspension the Board determines that the entitlement to Dividend Equivalents after termination or during suspension, as applicable, should be continued. Subject to the foregoing sentence, if the Board terminates or suspends the Plan, no new Deferred Share Units will be credited to the Account of a Participant.
- (e) The Board shall not require the consent of any affected Participant in connection with a termination of the Plan in which Payment Shares are issued to the Participant in respect of all such Deferred Share Units.
- (f) The Plan will terminate on the date upon which no further DSUs remain outstanding.

5.2 Compliance with Laws

The administration of the Plan shall be subject to and made in conformity with all applicable laws and any applicable regulations of a duly constituted regulatory authority. Should the Board, in its sole discretion, determine that it is not feasible or desirable to honour an election in favour of Deferred Share Units due to such laws or regulations, its obligation shall be satisfied by means of an equivalent cash payment (equivalence being determined on a before-tax basis). If the Board determines that the listing, registration or qualification of the Shares subject to this Plan upon any securities exchange or under any provincial, state, federal or other applicable law, or the consent or approval of any governmental body or securities exchange is necessary or desirable, as a condition of, or in connection with, the crediting of DSUs or the issue of Payment Shares hereunder, the Company shall be under no obligation to credit DSUs or issue Payment Shares hereunder unless and until such listing, registration, qualification, consent or approval shall have been effected or obtained free of any conditions not acceptable to the Board.

5.3 Reorganization of the Company

The existence of any Deferred Share Units shall not affect in any way the right or power of the Company or its shareholders to make or authorize any adjustment, recapitalization, reorganization or other change in the Company's capital structure or its business, or to create or issue any bonds, debentures, shares or other securities of the Company or to amend or modify the rights and conditions attaching thereto or to effect the dissolution or liquidation of the Company, or any amalgamation, combination, merger or consolidation involving the Company or any sale or transfer of all or any part of its assets or business, or any other corporate act or proceeding, whether of a similar nature or otherwise.

5.4 Assignment

Rights and obligations under the Plan may be assigned by the Company to a successor in the business of the Company, any company resulting from any amalgamation, reorganization, combination, merger or arrangement of the Company, or any company acquiring all or substantially all of the assets or business of the Company.

5.5 DSUs Non-Transferable

Except as specifically provided herein, Deferred Share Units are non-transferable. Certificates representing Deferred Share Units will not be issued by the Company.

5.6 Participation is Voluntary; No Additional Rights

The participation of any Participant in the Plan is entirely voluntary and not obligatory and shall not be interpreted as conferring upon such Participant any rights or privileges other than those rights and privileges expressly provided in the Plan and any DSU Agreement. In particular, participation in the Plan does not constitute a condition of employment or service nor a commitment on the part of the Company to ensure the continued employment or service of such Participant. Nothing in this Plan shall be construed to provide the Participant with any rights whatsoever to participate or continue participation in this Plan or to compensation or damages in lieu of participation, whether upon termination of service as an Eligible Person or otherwise. The Company does not assume responsibility for the personal income or other tax consequences for the Participants and they are advised to consult with their own tax advisors.

5.7 No Shareholder Rights

Composition

The Committee shall be composed of not less than three (3) directors, the majority of whom shall be independent and 'unrelated', as determined by the Board of Directors in accordance with applicable legislation and any requirements of such exchanges on which the securities of the Corporation are traded.
