MANAGEMENT INFORMATION CIRCULAR

For the Annual General and Special Meeting of Shareholders to be held September 27, 2017

GENERAL PROXY INFORMATION

SOLICITATION OF PROXIES

This management information circular (the “**Circular**”) is furnished in connection with the solicitation of proxies for use at the annual general and special meeting (the “**Meeting**”) of shareholders of the Corporation (the “**Shareholders**”) to be held on Wednesday, September 27, 2017 at the [**National Club, Library Room, 303 Bay Street, Toronto, Ontario M5H 2R1 at 10:00 am**] (Eastern Daylight Time) and at any adjournments thereof, for the purposes set out in the accompanying notice of meeting. The cost of solicitation of proxies will be borne by the Corporation.

APPOINTMENT AND REVOCATION OF PROXIES

The persons named in the enclosed form of proxy are directors or representatives of the Corporation. **A SHAREHOLDER DESIRING TO APPOINT SOME OTHER PERSON, WHO NEED NOT BE A SHAREHOLDER OF THE CORPORATION, TO REPRESENT THEM AT THE MEETING MAY DO SO** by inserting such other person’s name in the blank space provided in the form of proxy and depositing the completed proxy with the Corporation’s transfer agent, TSX Trust Company, 200 University Avenue, Suite 300, Toronto, Ontario, M5H 4H1, as instructed below. Shareholders may execute a proxy personally or through an attorney duly authorized in writing, or, if the shareholder is a corporation, under its corporate seal by an officer or attorney duly authorized.

In addition to any other manner permitted by law, a proxy may be revoked before it is exercised by instrument in writing executed and delivered in the same manner as the proxy at any time up to and including the last business day preceding the day of the Meeting or any adjournment at which the proxy is to be used or delivered to the Chair of the Meeting on the day of the Meeting or any adjournment prior to the time of voting and upon either such occurrence, the proxy is revoked.

DEPOSIT OF PROXY

ALL PROXIES TO BE USED AT THE MEETING MUST BE DEPOSITED NOT LATER THAN 48 HOURS PRECEDING THE DAY OF THE MEETING, EXCLUDING SATURDAYS, SUNDAYS AND STATUTORY HOLIDAYS, OR ANY ADJOURNMENT, WITH THE CORPORATION’S TRANSFER AGENT, TSX Trust Company, 200 University Avenue, Suite 300, Toronto, Ontario, M5H 4H1, by mail or pursuant to the instructions provided on the form of proxy.

NON-REGISTERED SHAREHOLDERS

Only Shareholders of record at the close of business on August 28, 2017 (the “**Record Date**”), or the persons they appoint as their proxies are permitted to vote at the Meeting. However, in many cases, shares beneficially owned by a person (a “**Non-Registered Holder**”) are registered either:

- i. in the name of an intermediary (an “**Intermediary**”) that the Non-Registered Holder deals with in respect of the shares of the Corporation (Intermediaries include, among others, banks, trust companies, securities dealers or brokers and trustees or administrators of self-administered RRSPs, RRIFs, RESPs and similar plans); or

- ii. in the name of a clearing agency (such as The Canadian Depository for Securities Limited (“CDS”)) of which the Intermediary is a participant.

In accordance with the requirements of National Instrument 54-101 (“**NI54-101**”), the Corporation will have distributed copies of the notice of meeting, this Circular and the form of proxy (collectively, the “**Meeting Materials**”) to the clearing agencies and Intermediaries for onward distribution to Non-Registered Holders. Intermediaries are required to forward the Meeting Materials to Non-Registered Holders unless a Non-Registered Holder has waived the right to receive them. Intermediaries often use service companies to forward the meeting material to Non-Registered Holders. Generally, Non-Registered Holders who have not waived the right to receive Meeting Materials will either:

- i. be given a form of proxy which has already been signed by the Intermediary (typically by a facsimile, stamped signature), which is restricted as to the number of shares beneficially owned by the Non-Registered Holder but which is otherwise uncompleted. In this case, the Non-Registered Holder who wishes to submit a proxy should properly complete the form of proxy and submit it to the Corporation or the Corporation’s transfer agent, TSX Trust Company, 200 University Avenue, Suite 300, Toronto, Ontario, M5H 4H1; or
- ii. more typically, be given a form of proxy which is not signed by the Intermediary and which, when properly completed and signed by the Non-Registered Holder and returned to the Intermediary or its service company, will constitute voting instructions (often called a “proxy authorization form”) which the Intermediary must follow. Typically, the Non-Registered Holder will be given a page of instructions that contains a removable label containing a bar-code and other information. In order for the form of proxy to validly constitute a proxy authorization form, the Non-Registered Holder must remove the label from the instructions and affix it to the form of proxy, properly complete and sign the form of proxy and submit it to the Intermediary or its service company in accordance with the instructions of the Intermediary or its service company.

In either case, the purpose of these procedures is to permit Non-Registered Holders to direct the voting of the shares of the Corporation they beneficially own. Should a Non-Registered Holder who receives either form of proxy wish to vote at the Meeting in person (or have another person attend and vote on behalf of the Non-Registered Holder), the Non-Registered Holder should strike out the person named in the proxy and insert the Non-Registered Holder or such other person’s name in the blank space provided. In either case, Non-Registered Holders should carefully follow the instructions of their Intermediary, including those regarding when and where the proxy or proxy authorization form is to be delivered.

A Non-Registered Holder may revoke a proxy authorization form (voting instructions) or a waiver of the right to receive meeting materials and to vote which has been given to an Intermediary at any time by written notice to the Intermediary, except that an Intermediary is not required to act on a revocation of a proxy authorization form (voting instructions) or of a waiver of the right to receive meeting materials and to vote which is not received by the Intermediary at least seven days prior to the Meeting.

EXERCISE OF DISCRETION OF PROXIES

The persons named in the accompanying form of proxy for use at the Meeting will vote the shares in respect of which they are appointed in accordance with the directions of the Shareholders appointing them. **IN THE ABSENCE OF SUCH DIRECTIONS, SUCH SHARES SHALL BE VOTED “FOR” all of the matters listed in the notice of meeting and as more particularly described in this Circular.**

The enclosed form of proxy confers discretionary authority upon the person named with respect to any amendment, variation or other matter to come before the Meeting, other than the matters referred to in the notice of meeting. **HOWEVER, IF ANY SUCH AMENDMENTS, VARIATIONS OR OTHER MATTERS WHICH ARE NOT NOW KNOWN TO THE MANAGEMENT SHOULD PROPERLY COME BEFORE THE MEETING, THE SHARES REPRESENTED BY THE PROXIES WILL BE VOTED IN ACCORDANCE WITH THE BEST JUDGMENT OF THE PERSON OR PERSONS VOTING SUCH PROXIES.**

VOTING SECURITIES AND PRINCIPAL HOLDERS

The authorized capital of the Corporation consists of an unlimited number of common shares (the “**Common Shares**”) of which 140,248,840 Common Shares are issued and outstanding as fully paid and non-assessable as at August 28, 2017, the Record Date for the Meeting. Each holder of Common Shares of record will be entitled to one vote for each Common Share held at the Meeting.

To the knowledge of the directors and executive officers of the Corporation, based on the most recent publicly available information, as of the date hereof, the only persons that beneficially own, directly or indirectly, or control or direct voting securities of the Corporation carrying more than 10% of the voting rights attached to the voting securities of the Corporation are as follows:

Name	Number of Shares	Approximate Percentage of Total Issued
CDS & Co. ⁽¹⁾	93,502,538	66.67%
Oakwest Corporation Limited ⁽²⁾	29,416,382	20.97%

Notes:

- (1) The Corporation is not aware of the beneficial ownership of the Common Shares held by this financial intermediary, whose holdings may also reflect some or all of the shares beneficially owned by other individuals and entities shown in this table.
- (2) David Beutel, a director of the Corporation, is an officer and a shareholder Oakwest Corporation Limited.

EXECUTIVE COMPENSATION

Named Executive Officers

Pursuant to applicable securities regulations, the Corporation must disclose the compensation paid to its Named Executive Officers (“**NEOs**”) for the two most recently completed financial years. NEOs include the Corporation’s Chief Executive Officer, the Corporation’s Chief Financial Officer and the most highly compensated executive officer, provided that disclosure is not required for those executive officers, other than the Chief Executive Officer and Chief Financial Officer, whose total compensation did not exceed \$150,000. The Corporation’s NEOs include J Murray Souter as President and Chief Executive Officer, and Alan Stratton as Chief Financial Officer.

Compensation Discussion and Analysis

The compensation of management is set by the board of directors of the Corporation (the “**Board**”) pursuant to a compensation program. For the year ended March 31, 2017, the Corporation did not have a formal pre-determined compensation plan. Rather, the Corporation informally assessed the performance of its Named Executive Officers and considered a variety of factors generally, both objective and subjective, when determining compensation levels, including the existing contractual relationships with the Named Executive Officers. For the financial year ended March 31, 2017, the compensation program had the following objectives: (1) to provide a compensation program that is fair and competitive in order to attract and retain well-qualified and experienced executives within the Corporation; (2) to focus the efforts of executives on business performance; and (3) to recognize individual performance. Following completion of the Corporation’s Qualifying Transaction the Corporation adopted a compensation committee (the “**Compensation Committee**”) and charter. The Compensation Committee currently consists of John De Sousa, John Hick and Craig Graham. Mr. Graham will be replaced subsequent to the Meeting as he is retiring from the Board.

Compensation for the Named Executive Officers is composed primarily of three components: base fees, performance bonuses and stock based compensation:

Base Fees

Base Fees form an essential component of the Corporation’s compensation strategy as they are key to the Corporation remaining competitive, are fixed and therefore not subject to uncertainty, and can be used as the base to determine other elements of compensation and benefits.

In determining the base fees of executive officers, the Board considers the following: (a) the recommendations of the Compensation Committee; (b) the particular responsibilities related to the position; (c) the experience, expertise and level of the executive officer; (d) the executive officer's length of service to the Corporation; and (e) the executive officer's overall performance based on informal feedback.

There is no mandatory framework that determines which of the above-referenced factors may be more or less important and the emphasis placed on any of these factors is at the discretion of the Board and may vary among the executive officers. In respect of the base fees paid to the President and Chief Executive Officer, the Board and the Compensation Committee also broadly considered the performance of the President and Chief Executive Officer against the Corporation's performance in the previous year. The Corporation does not engage in benchmarking and did not focus on any particular performance metric.

Bonus Payments

The purpose of the Corporation's bonus program is to provide the NEOs with the opportunity to receive a cash incentive that is broadly related to the progress of the Corporation and individual performance. The Corporation does not utilize a set of formal objective measures to determine discretionary bonus entitlements; rather, bonus payments to NEOs are determined in a discretionary manner on a case by case basis. In addition, no specific weights are assigned to any criteria individually, rather, the performance of the Corporation is broadly considered as a whole when determining the level of bonuses (if any) to be paid. In addition, the Corporation does not focus on any particular performance metric in awarding bonuses.

Long-Term Incentives

The Board believes that granting stock options to officers, directors, consultants and employees encourages retention and more closely aligns the interests of key personnel with the interests of Shareholders while at the same time not drawing on the limited cash resources of the Corporation. The Corporation granted options to its management and board of directors based on the maximum amount permissible at the time of its initial public offering on March 2, 2012. Additional options were granted to incoming directors and officers upon completion of the Qualifying Transaction on September 24, 2013, and thereafter to new and existing officers, directors and consultants on a case by case basis in keeping with the Corporation's compensation objectives.

The Corporation does not utilize a set of formal objective measures to determine long-term incentive entitlements, rather, long-term incentive grants, such as stock options, to NEOs are determined in a discretionary manner on a case by case basis, but having consideration to the number of options previously granted. There are no other specific quantitative or qualitative measures associated with option grants and no specific weights are assigned to any criteria individually, rather, the performance of the Corporation is broadly considered as a whole when determining the number of stock based compensation (if any) to be granted and the Corporation does not focus on any particular performance metric.

The Corporation has no pension plan in place, and there are no provisions in the Corporation's employment agreements for any additional compensation to be paid to any officers, directors, or employees on a change in control of the Corporation.

Risks of Compensation Policies and Practices

The Compensation Committee and the Board work in tandem to oversee any potential risks in the Corporation's compensation policies and practices. There are no formal practices in place to identify and mitigate excessive risks other than through informal discussion at meetings of the Compensation Committee and the Board. The Board and the Compensation Committee have considered the risks of the current compensation program as set out herein and have determined that at this stage in the development of the Corporation the risks are not material.

Purchase of Financial Instruments

The Corporation currently does not have in place any formal policies to prevent a director or NEO from purchasing financial instruments that are designed to hedge or offset a decrease in market value of equity securities granted as compensation or held directly or indirectly by such director or NEO, but the Corporation is considering adopting such a policy in the current financial year.

Summary compensation table

The following table sets forth compensation earned by the NEOs during the financial years ended March 31, 2016, and March 31, 2017.

The Corporation chose the Black-Scholes pricing model because the Audit Committee feels it is the best model to ascertain a fair, realistic value for options.
- (2) Mr. Souter was appointed as Chief Executive Officer of the Corporation on September 24, 2013 upon completion of the Corporation's Qualifying Transaction. Mr. Souter, who is also a director of the Corporation, did not receive any additional compensation for his role as a director.

Incentive Plan Awards—Value Vested or Earned During the Year

Murray Souter, President and CEO	Nil	N/A	N/A
Alan Stratton, CFO	Nil	N/A	N/A

Note:

- (1) The exercise price of the options was the same as or higher than market price on the date that the options vested, therefore the value was “Nil” on the date of vesting.

Stock Option Plan

The Corporation currently maintains a stock option plan (the “**Stock Option Plan**”) and pursuant thereto grants options to purchase Common Shares. The purpose of the Stock Option Plan is to encourage share ownership by directors, senior officers and employees, together with consultants, who are primarily responsible for the management and growth of the business. The number of Common Shares, the exercise price per Common Share, the vesting period and any other terms and conditions of options granted pursuant to the Stock Option Plan, from time to time, are determined by the Board at the time of the grant, subject to the defined parameters of the Stock Option Plan.

The maximum number of Common Shares which may be reserved and set aside for issue under the Stock Option Plan is equal to up to 10% of the issued and outstanding Common Shares as at the date of any such grant of options, provided that the Board may, subject to Shareholder and regulatory approvals, increase such number.

The Stock Option Plan is administered by the Board, which has the authority thereunder to delegate its administration and operation to the Compensation Committee of the Board. Participation is limited to directors, officers, employees and consultants providing services to the Corporation.

The exercise price of any option cannot be less than the Market Price of the Common Shares at the time the option is granted. “Market Price” is a defined term under the policies of the TSX Venture Exchange (the “**Exchange**”), but generally means the last closing price of the Common Shares immediately prior to the date of the granting of an option. The exercise period cannot exceed five years. Options will terminate on the date of expiration specified, ninety days after termination of employment, or one year after the death of the grantee.

The number of Common Shares reserved for issuance to any individual director or officer will not exceed 5% of the issued and outstanding Common Shares and the number of Common Shares reserved for issuance to all technical consultants will not exceed 2% of the issued and outstanding Common Shares. Options representing not more than 10% of the issued and outstanding Common Shares may be granted to Insiders (as such term is defined under the policies of the Exchange) within any twelve-month period. Options may be exercised within the greater of 12 months after completion of the Corporation’s Qualifying Transaction and 90 days following cessation of the optionee’s position with the Corporation, provided that if the cessation of office, directorship or technical consulting arrangement was by reason of death, the option may be exercised within a maximum period of one year after such death, subject to the expiry date of such option. The Stock Option Plan also provides for adjustments to outstanding options in the event of any consolidation, subdivision, conversion or exchange of the Corporation’s shares.

As of the date of the Circular, options to acquire up to 6,150,000 Common Shares of the Corporation have been granted and are outstanding pursuant to the Stock Option Plan. Based on the issued and outstanding capital of the Corporation as of the date of this Circular, an additional 3,850,000 options are available to be granted pursuant to the Stock Option Plan.

Deferred Share Unit Plan

The Corporation currently maintains a deferred share unit plan (the “**DSU Plan**”) and pursuant thereto grants deferred share units (each, a “**DSU**”). The DSU Plan has been established to assist the Corporation in the recruitment and retention of qualified persons and to encourage share ownership by those who are primarily responsible for the management and growth of the business.

The Board uses DSUs issued under the DSU Plan, as well as options issued under the Stock Option Plan, as part of the Corporation’s overall compensation plan. Since the value of DSUs increase or decrease with the price of the Common Shares, DSUs reflect a philosophy of aligning the interests of management and directors with those of the Shareholders by tying compensation to share price performance.

The grant of DSUs pursuant to the DSU Plan is determined by the Board at the time of the grant, subject to the defined parameters of the DSU Plan. The DSU Plan is administered by the Board, which has the authority thereunder to delegate certain administrative and operational matters to the Compensation Committee from time to time.

The maximum number of Common Shares reserved for issuance under the DSU Plan is 2,000,000, which is approximately 2% of the current issued and outstanding Common Shares. The DSU Plan provides that the maximum number of DSUs issuable to Insiders (as that term is defined by the Exchange) pursuant to the DSU Plan, together with any Common Shares issuable pursuant to any other security-based compensation arrangement of the Corporation, will not exceed 10% of the total number of outstanding Common Shares. In addition, the maximum number of DSUs issued to Insiders under the DSU Plan, together with any Common Shares issued to Insiders pursuant to any other security-based compensation arrangement of the Corporation within any one year period, will not exceed 10% of the total number of outstanding Common Shares. The maximum number of DSUs issued to any one eligible participant under the DSU Plan together with any Common Shares issued to such participant pursuant to any other security-based compensation arrangement of the Corporation within any one year period, will not exceed 5% of the total number of outstanding Common Shares.

As of the date of the Circular, 1,124,982 DSUs have been granted and are outstanding pursuant to the DSU Plan and an additional 875,018 DSUs are available to be granted pursuant to the DSU Plan.

TERMINATION AND CHANGE OF CONTROL BENEFITS

In the event of being terminated without cause, J. Murray Souter, Chief Executive Office of the Corporation, is entitled to receive twelve (12) months of his base salary plus any accrued amounts to such date owing to Mr. Souter under the Corporation's bonus or stock option plan, payable over a period of six (6) months. Based on Mr. Souter's compensation during the year ended March 31, 2017, were he to be terminated without cause, he would be entitled to receive an aggregate of \$180,000.

Notes:

(1) Based on the closing price of the Common Shares on the Exchange on March 31, 2017 being \$0.33.

In the most recently completed fiscal year, each director received a base fee of \$15,000, half of which is paid in the form of Deferred Share Units. The Chairman of the Board, Audit Committee, and Compensation Committee each receive an incremental fee of \$25,000, \$750, and \$500, respectively. Each director also earns a fee of \$1,000 for each meeting attended. In addition to these attendance related fees, the directors are typically compensated through the granting of stock options to encourage retention and more closely align the interests of the directors with the interests of shareholders while at the same time not drawing on the limited cash resources of the Corporation. As with the grant of options to the NEOs, the Corporation does not utilize a set of formal objective measures to determine option entitlements of directors, rather, long-term incentive grants, such as stock options, to NEOs are determined in a discretionary manner on a case by case basis, but having consideration to the number of options previously granted. There are no other specific quantitative or qualitative measures associated with option grants and no specific weights are assigned to any criteria individually, rather, the performance of the Corporation is broadly considered as a whole when determining the number of stock based compensation (if any) to be granted and the Corporation does not focus on any particular performance metric.
