

SNOW RIDGE

Snow Ridge Vidal Icewine VQA Niagara Peninsula

Varietals: 100% Vidal

Tasting Notes:

The Vidal Icewine has a rich aromatic nose of apricots, honey, rose and grapefruit. The palate has deeper, more complex flavours of raisin, cinnamon, baked apple and walnut. This sweet wine is well balanced with good acidity in the finish.

Food Pairing:

Excellent on its own or when paired with rich foods like foie gras or sweet desserts and chocolates.

Growing Season and Harvest:

The frozen Vidal grapes were harvested mid-December when temperatures fell between -10 and -13. After settling the juice in stainless steel tanks, cool fermentation was completed in mid-February when the wine was placed outdoors to stop fermentation and complete a natural cold stabilization.
